that Letter and that she did not have the interrogatories

Please note above the cash slips and the Request slip from the mail Room at #2 Dealing with Confirmation of Delivery that went out on the 10th of march as stated by ms. Rollison as PRIORITY mail and the cash slip states that it was the interrogatories, but ms Mosley says on the 17th she never Recieved that priority package, either ms Mosley is Lieing OR the mail Room charged me \$4.40 and did not post my package, this show's a Conspiracy by the staff To hinder my access to the courts and ms Mosley Playing TRICKS with your court order at anytime ms Mosley could Pick up her telephone and call this PRISON and have them facts her my interrogatories if they need to I could have been called Down and the could have used my copy!

There is no Reason for ms Mosley esq failing to Supply me with my interrogatories and Violating your most Judicial Court order, and in light of the fact that I have ~~been~~ been TRYing for over 2 yrs to get Discovery and your Honor Changing your most Reverent order and Granting this Humble inmate's prayer of Discovery the Defendants actions fly in the face of this most Dignified Tribune.

Therefore I pray that a order of default and a fine of \$10,000 will be levied on these Defendants and that they Compelled to answer my interrogatories. Respectfully. Also speaking on my motion for injunctive Relief, Sir the prison has given me back the job ms Surace Fired me from, but I have not earned a Bonus Nor have I been working Regular, when inmates who

started after me have been working and have earned the Bounce of 70¢ per hr. while I was only paid the Base pay of 19¢ per hr. (although I was paid for each day they sent me back) I was still one of the last ones to Return to work Please keep in mind I am and experienced WORKER (I worked in the Garment Plant Before and I was not fired for Bad worker but for accessing the courts).

~~Friday~~ Friday I fell asleep during Lunch Break and did not Return to work, upon my Return to work I was confronted by a Muslim inmate who stated I do not appreciate your playing with my Religion. I asked him what are you talking about he said you told ms Dippel you were going to Jumah, I said "I never told ms Dippel that". now why would this inmate be asking me this. When did the staff begin to use inmates to verify the whereabouts of other inmates. This is an attack on my Religious Belief and an attempt to get me Beat up See: Exhibit R-2 + R-2 # 295183 misconduct.

I affirm under Penalty of the law I never told ms Dippel I was going to Jumah. William Branch CF3756

I Believe that Ms Surace is in conspiracy with Ms Dippel To Create problems for me with the Muslim Community also Ms Dippel wrote me up charging me with lying to an Employee although this is not a misconduct, it went to Informal Resolution I was put on 7 days Cell Restriction based on a Lie. Please Help me

Unsuborned Declaration
